

General information regarding treatment attendances in Oasis during the Corona Pandemic:

- There are hand disinfectants as well as sanitizers at your disposal in the Reception area, which we expect you to use upon your arrival in Oasis.
- You must cancel your appointment, if you should develop any symptoms of a cold or COVID 19. Furthermore, we expect you be free of relevant symptoms within 48 hours prior to your attendance.
- It is especially important that you meet up at your scheduled appointment, because the Waiting Room is restricted area.
- We are unable to guarantee you waiting in the Waiting Room in between consultations, in case of more than one appointment within the same day.
- It is not possible to have any companions waiting within the premises, while you attend your treatment.
- Tea, coffee or water will not be available in the Waiting Room and the Reception area for the time being.
